National Wildlife Federation is the manager of the RecycleMania Program (soon to be renamed Campus Race to Zero Waste) and works in partnership with RecycleMania, Inc.

RecycleMania is a friendly competition for colleges and universities to promote waste reduction activities to their campus communities. RecycleMania campuses address one of the biggest threats to the world's wildlife and human health—plastic pollution and solid waste disposal. In 2020, RecycleMania announced a new name, Campus Race to Zero Waste, to better reflect the purpose of the program—to help campuses find pathways toward zero waste.
